Percentage of English Language Learners within the General Student Population

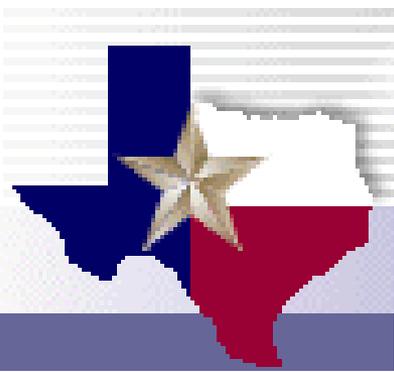

Bilingual Education

When is a Bilingual Program required?

- Each school district which has an enrollment of 20 or more limited English proficient students (LEP) of the same language classification in the same grade level district-wide shall offer a bilingual education program for LEP students in Pre-K to grade 5
- Grade 6 shall be included when clustered with the elementary grades TAC[§89.1205 (a)]

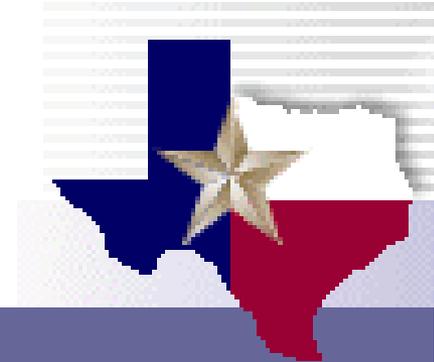

English as a Second Language (ESL)

When is an English as a Second Language (ESL) program required?

All LEP students for whom a district is not required to offer a Bilingual education program shall be provided an ESL program, regardless of the students' grade levels and home Language, and regardless of the number of students.

Texas Administrative Code (TAC) [§89.1205 (d)]

**Senate Bill 1871 from the
80th Legislature was
enacted in Texas**

Education Code §29.066

The Public Education Information Management System (PEIMS) will be collecting information on four program models for bilingual education and two for English as a second language.

Bilingual Education

Transitional bilingual/early exit

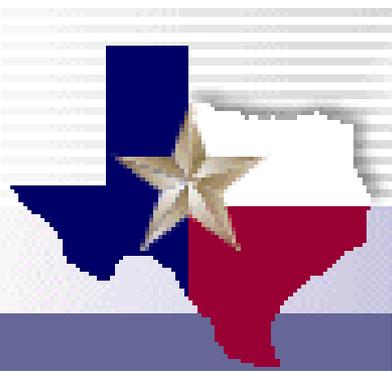

- **Most common form of bilingual education**
- **Teacher provides instruction and support in two languages**
- **Native language used to build literacy skills and academic concepts - then transition to English**
- **Must include primary language in all academic content areas**
- **Program goal is early transition to English only curriculum**

Bilingual Education

Transitional bilingual/late exit

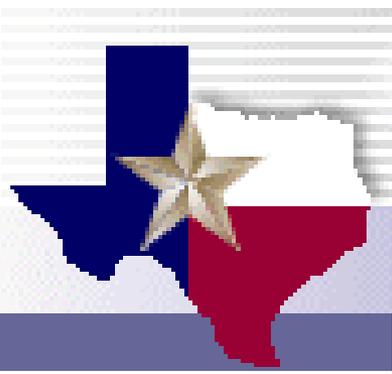

- **Enrichment Program**
- **Provides instruction in English and the students' native language**
- **Target group: English language learners**
- **Students may begin program at Pre-kindergarten**
- **Continue through elementary and beyond**
- **Promote high levels of academic achievement & full academic language proficiency in both languages**

Bilingual Education

Dual language immersion/two-way

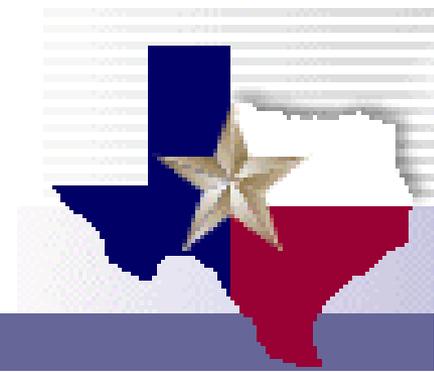

- **Two distinct groups of students in one instructional setting—usually ½ English proficient speakers and ½ LEP students with a common native language**
- **Language learning is integrated with content instruction**
- **Program grades: PK-end of elementary**
- **High academic achievement**
- **Academic competence in two languages**

Bilingual Education

Dual language immersion/one-way

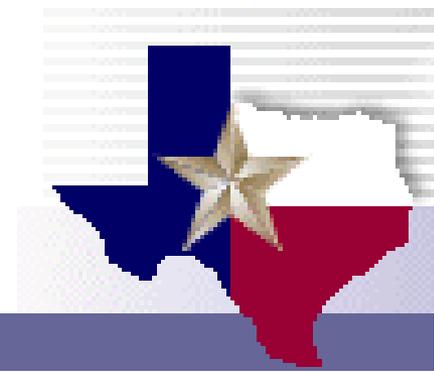

- **Bilingual program where homogeneous groups of students (English language learners) are instructed in the TEKS in two languages.**
- **Language learning is integrated with content instruction**
- **Program grades: PK-end of elementary**
- **High academic achievement**
- **Academic competence in two languages**

English as a Second Language (ESL)

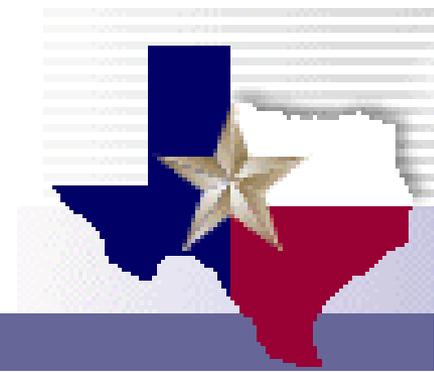

English as a second language/content-based:

- **Teacher does not have to speak ELL's primary (home) language**
- **ESL Texas Essential Knowledge and Skills (TEKS) must be taught**
- **Students spend major part of the day with ESL teacher**
- **Second language strategies are used with every content area.**

English as a Second Language (ESL)

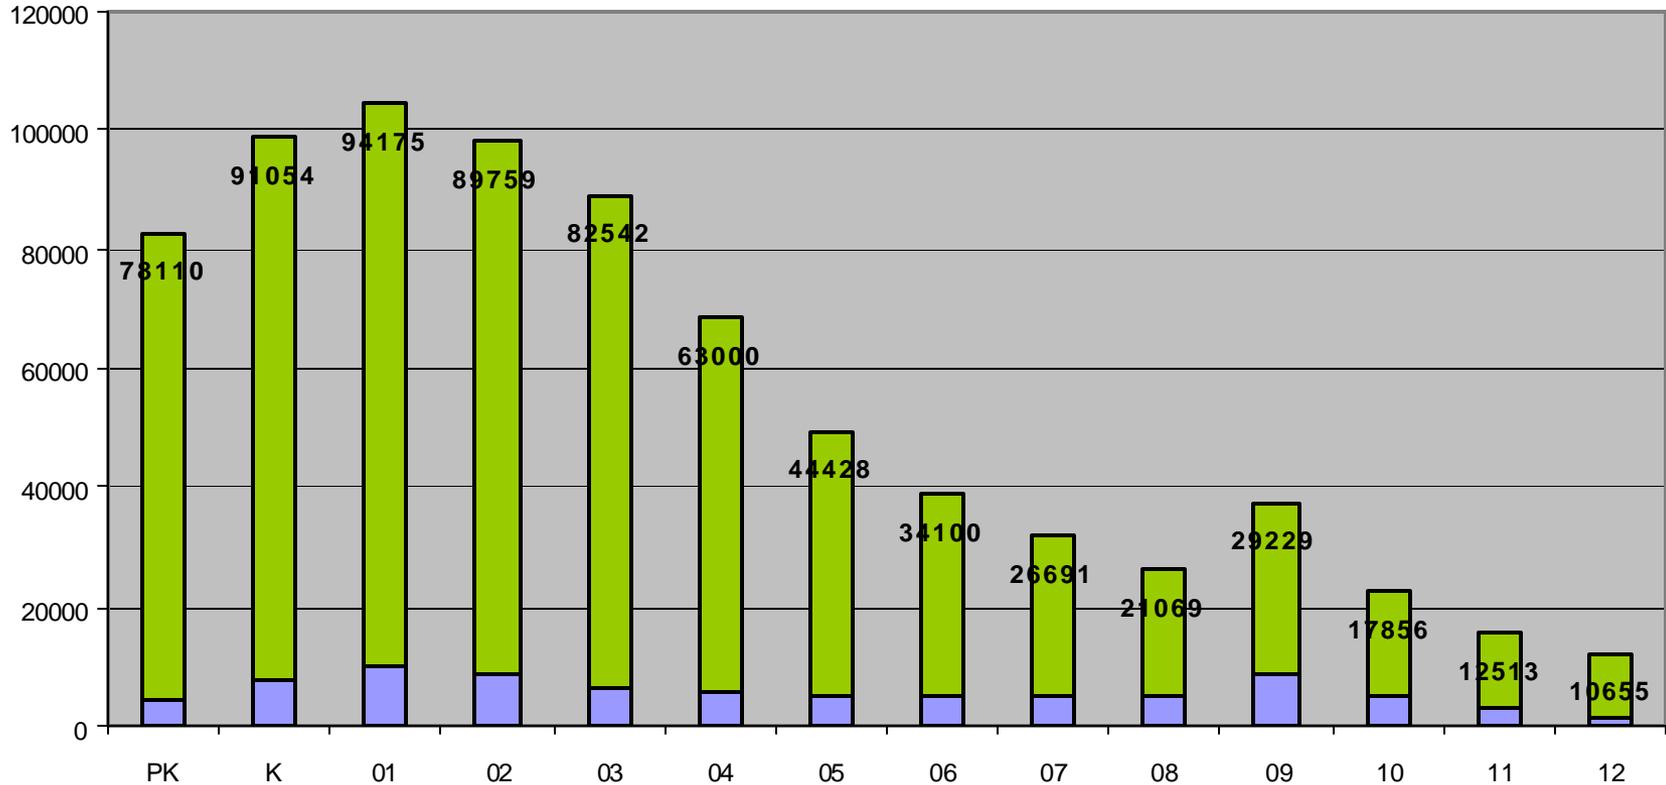

- **English as a second language/pull-out:**
- **ELL stays in regular classroom**
- **ELL is “pulled out” for a portion of the day to receive ESL instruction**
- **Amount of time spent in ESL classroom based on level of proficiency in English (Beginner, Intermediate, Advanced or Advanced-High)**
- **Level of academic competence factor in determining amount of ESL support**

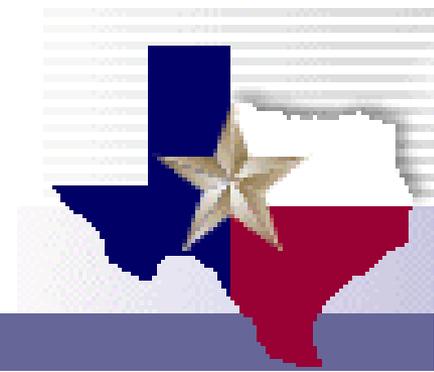

Funding

- **For all of the program models students that have met exit criteria in accordance with §89.1225 may continue receiving services but the school district will not be allocated the bilingual allotment (TEC) §42.153.**

English Language Proficiency Standards

- During the revisions of our Texas Essential Knowledge and Skills (TEKS) the English as a second language TEKS have been revised and are now called English Language Proficiency Standards (ELPS)-TEKS. They are now located in the Texas Administrative Code (TAC) chapter 74 Subchapter A of the required curriculum section 4.
- <http://www.tea.state.tx.us/rules/tac/chapter074/ch074a.html#74.4>

Authorization

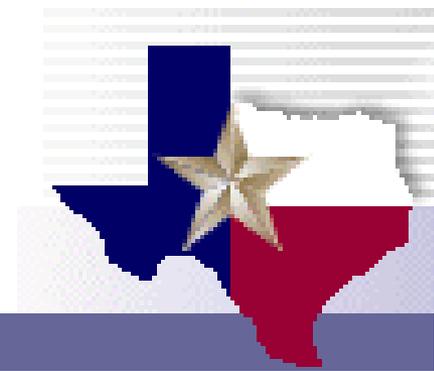

- **Rider 74, Article III, 79th Legislature and Texas Education Code, Section §39.024(d)-(e), authorized expenditures for implementation of intensive programs of instruction for limited English proficient students and for teacher training resources designed to support intensive, individualized, and accelerated instructional programs for limited English proficient students.**

Collaboration with the Texas Education Agency (TEA)

- **Institute for Second Language Achievement (ISLA) at Texas A&M University Corpus Christi**
- **Mathematics for English Language Learners**

The project is a partnership between the Texas State University System (TSUS) and its component universities
- **Project TESORO – Regional ESC 1**
- **Online ESL Certification Prep Course TAMU – College Station Department of Bilingual Education**
